

# HUGO LOPEZ

## WEB DEVELOPER

Amsterdam, NL.

### WHO AM I ?

For the past 10 years, I have been experiencing different careers around the world. In 2021, I've decided to move forward to set foot into the coding world. After completing a Full Stack study course with Ecole O'clock, I am now a qualified web developer with a strong appetite for front-end programming, and ready for a new challenge.

### TECHNICAL SKILLS

- HTML & CSS, JavaScript

## EDUCATION

### O'clock programming school, oclock.io/

FullStack JavaScript study course | december 2021 - June 2022

For 6 months, I have been learning HTML, CSS, Vanilla JavaScript, NodeJS, Express, SQL. I've decided to specialize in React.

As an end of study group project, we built a fully functional app from scratch : O'talktone (see portfolio)

### University of Toulouse - Jean-Jaurès

Geography & urban planning | 2010 - 2013

## WORK EXPERIENCE

### Video editor

Coconut - theater company. Paris, FRA. | 2021 > 2022

- I was in charge of filming raw material for a theater company based in Paris.
- My tasks also included editing and assembling those footages into suitable content for their internet platform.

### Barista

Wellington, NZ. Bordeaux, FRA. New York City, USA & Amsterdam, NL | 2018 > today

- Becoming a specialty coffee expert allowed me to experience different work experiences in 4 countries and 3 continents.
- It brought me great communication skills, a friendly and happy personality, a high level of attention to details, adaptability to change and embrace new ideas, ability to work unsupervised and deliver quality work, approachable and positive manner & team player qualities

### Scuba divemaster

PADI. Koh Tao, THAILAND | 2016

- As a scuba diving guide, I had to organise, conduct and supervise recreational scuba diving activities both shore and boat based.
- I also had to assist instructors in conducting training programs and activities for certified scuba divers.

## LANGUAGES

**French** (native), **English** (fully fluent), **Spanish** (conversational)
